

### **NATIONAL REGISTRY OF AIRCRAFT**

The National Aircraft Registry is a public registry dependent on the General Directorate of Civil Aviation and that is in charge of a Conservative.

This record is responsible for practicing, among others, annotations in registration and property records and taxes and prohibitions of the following processes:

#### **CANCELLATION OR TERM OF LEASE, SUB-EXTENSION, EXCHANGE, EASY OR OTHER CONTRACTS UNDER WHICH THE OPERATOR QUALITY WAS TRANSFERRED.**

It is the process by which the Parties establish the term of the lease, sub-extension, exchange, easy or other related to the use of aircraft, which gave rise to the transfer of the operator's quality of an aircraft.

The request in the National Aircraft Registry to require the term of any of the contracts indicated in the preceding paragraph, it can be carried out by the user who is empowered to carry out this procedure (owner, operator or a third party, as appropriate), either in Face-to-face or remote way, via email to [registro.aeronaves@dgac.gob.cl](mailto:registro.aeronaves@dgac.gob.cl). The requesting must present the following background:

- Application to the National Aircraft Registry.
- Public writing or authorized private instrument and protocolized before a public notary in Chile, which records that the parties finiquitate or terminate the contractual relationship of exploitation of the aircraft.
- Payment of registration fees, according to the amounts indicated in Article 39 of the Aeronautical Rate and Rights Regulation.
