

### RESERVATION OF TUITION BRAND LETTERS

It is the process by which the owner, the operator or a third party, as appropriate, requests the reservation of tuition brand letters, for a period not exceeding 60 days, prior to presenting all the other backgrounds required to register the Domain of the aircraft in Chile.

The procedure indicated in the preceding paragraph in the National Aircraft Registry can be carried out by the user who is entitled to carry out this procedure (owner, tenant or a third party, as appropriate), through the email [registro.aeronaves@dgac.gob.cl](mailto:registro.aeronaves@dgac.gob.cl).

By virtue of the provisions of Article 23 of the Regulations of the National Aircraft Registry, the letters or characters that conform the enrollment brands of the aircraft that are enrolled in Chile, will be freely assigned by this record according to availability. At the request of the interested party, the registry may reserve for a period not greater than sixty days, certain combinations of letters or characters that are not already assigned.

Aircraft will be assigned a registration mark that will be unique, permanently and definitive from the moment of practiced its first registration until the end of its useful life.

For the effects of traceability, once an aircraft has been registered or enrolled, it may not be subject to change or reassignment of brands, even if it has been canceled or has been put into its useful life.

In the same way, and with the purpose of maintaining the assigned licensee marks unchanged, and their traceability, marks of enrollments that have been canceled cannot be reassigned to other aircraft.
